

**REMOTE TALENT,
REDEFINED**

Powered by South African
excellence

Workforce Remote Staffing is a division of Workforce Holdings, one of South Africa's most established staffing groups. We connect global organisations with top South African professionals through a fully managed remote staffing model.

ABOUT US

Backed by the scale and governance of Workforce Holdings, we deliver compliant, cost-effective teams aligned to UK and EU time zones.

Our core purpose underpins everything we do: transforming lives and businesses by creating meaningful remote work opportunities for South Africans while helping global companies grow.

OUR VALUES

Integrity

We operate with honesty, transparency, and ethics - always doing what's right for our clients and our people.

Partnership

We build long-term relationships through open communication, collaboration, and shared success.

Excellence

We're driven by quality. From recruitment to delivery, we set high standards and deliver consistent results.

Empowerment

We create meaningful global work opportunities for South African professionals and support them every step of the way.

“Global growth, powered by South African talent. We've seen first-hand how our professionals deliver world-class results, and at Workforce Remote Staffing we are committed to helping international businesses scale with confidence while creating lasting impact.”

- Tania Govender, Managing Director

VISION

To redefine global staffing by connecting South African excellence with global opportunity, through people-powered remote solutions built on talent, service, and trust.

MISSION

To bridge global demand with South African talent through seamless remote staffing solutions that deliver value, reliability, and results.

Established in 1972
93 Branches in South Africa
Operational in 15 countries

OUR SERVICES

End-to-end remote staffing

We take care of the full process - scoping roles, recruiting, vetting, and onboarding - so you get a ready-to-go team without hiring delays, administration, or risk.

Compliance and governance

Stay protected with fully GDPR and POPIA-aligned practices. We manage contracts, payroll, and secure data handling, giving you peace of mind that your operations remain compliant and low risk.

Ongoing Success & Retention

Your dedicated Client Success Manager ensures your remote team consistently performs. With clear KPIs, regular check-ins, and proactive support, we keep delivery on track and retention high, saving you the cost and disruption of re-hiring.

Managed Operations

From equipment coordination to HR admin, time and leave management, and reporting, we handle the day-to-day operations. That means your remote team works seamlessly as an extension of your business, with no additional burden to you.
